SPECIAL THANKS

Our listing of annual donors is late this year, since the NSA staff has had an unusually busy year. Membership has continued to grow (now over 2,000) and the call for services such as back issues, books, information, etc. has increased proportionately, along with the routine processing of new memberships and the mailing of *Stereo World*. The production of the magazine has continued to grow into a bigger and more time consuming task than ever, with a number of large issues in addition to the complex color issue.

To know where your over \$6,300 in donations went, you only need look at *Stereo World*, and especially the color issue which would not have been possible without your special support. Thanks to your generosity, in spite of increased costs, we are able to hold the line on dues (except for postage adjustments) for another year. So, belatedly, all the NSA volunteers thank the hundreds of people listed below for their assistance.
